GRAFENSCHLOSS LANDAU MANOR HOTEL

extends a warm welcome to all our guests. Allow yourself to be transported to a land from long ago and far away, and become enchanted in our magical, medieval world.

ENCHANTED WALDECK

Past the picturesque hedges emerges a magnificent estate: the Grafenschloss Landau (Landau Count's Manor). This present-day hotel transports its guests back to a magical, medieval world – with all the amenities, timeless comfort and elegance of a first-class hotel. This manor in the Waldeck-Frankenberg district of North Hesse has recently been extensively renovated and currently houses Hotel Brunnenhaus and an impressive event complex. We welcome non-aristocratic guests as well, so you'll feel like the lord or lady of the manor.

BRINGING HISTORY TO LIFE, WITH HEART AND ATTENTION TO DETAIL

Originally built as a fortress, Henry IV, Count of Waldeck, had this rebuilt into a stately home around 1330. In the course of the more recent renovations, the vaulted ceiling and the ancient well were uncovered and largely restored. Until the middle of the 19th century, Landau Manor was predominantly owned by the noble family of Waldeck, after which, for decades, it served as a nursing home for the elderly. And now, with close attention to detail and the utmost care in protecting its value as a heritage building, this Sleeping Beauty has been awakened from its long sleep.

OMNIA VINCIT AMOR – LOVE CONQUERS ALL

This motto of many knights and minstrels in the 13th and 14th century still applies at Landau Manor. Omnia vincit Amor: these words are engraved on the golden bell hand-cast especially for the manor, which strikes the hour for the entire hill town of Landau. We think it's a good omen too: whether you want to hold a stately ceremony in the light-filled wedding hall or a fairy-tale wedding in the banquet room, you could hardly find a more romantic location for your wedding. And our specialised event organisers will provide you with everything you need to make your wedding picture perfect.

THE RELAXING AREA AROUND THE 'FAIRY TALE ROUTE'

This central location in Germany, between Paderborn and the city of Kassel (home of the documenta contemporary art exhibition), offers countless possibilities for leisure and recreation. Landau Manor is located in the recreational area of Waldeck, north of the Edersee reservoir with its impressive dam. The Kellerwald-Edersee National Park, recognised as a UNESCO World Heritage Site, is the perfect environment for walking, hiking or cycling.

WILDLY ROMANTIC AND PERSONAL

Whether you are looking for a special location for a wedding, a seminar or simply a relaxing holiday, at Landau Manor, in addition to the impressive atmosphere and the stunning nature, you will find every comfort you could wish for. Attention to detail has also been our maxim when it comes to the furnishings. For example, you will have your dream sleep on an official 'German Brand of the Century' bed handmade in Germany by traditional bed manufacturer Schramm. In our open-kitchen restaurant, all the dishes are freshly prepared right before your eyes. Let yourself be pampered.
